GUILLAUME COURTET

FRENCH SOFTWARE ENGINEERING STUDENT LOOKING FOR A SUMMER INTERNSHIP

(MID JUNE – EARLY SEPTEMBER)

As a part of my curriculum, I am required to complete a summer internship for a minimum period of 8 weeks in order to discover the business world and to acquire new skills related to both technical and human aspects. Being extremely passionate with the English language and culture, I am actively looking for an opportunity to realise this internship in an English speaking country. I am eager to learn a lot about new technologies, processes, programming languages and methods and to work with experts who would allow me to grow professionally.
